

People First: Building Trust in Human Subjects Research

As part of the Trust in Research Festival, NTU-IRB is organising two workshops to help in your IRB applications & conducting participant recruitment.

1

Workshop 1: IRB Unlocked - Tips & Strategies

Join our interactive workshop to **demystify the IRB review process**, and **discover practical tips to obtain faster approval**. Perfect for Social, Behavioral & Educational Research (SBER), Biomedical Research (HBR), Human Performance & Endurance (HPE) Research conducted local or overseas by NTU researchers!

20 MAY, TUESDAY

11AM - 12.30PM

LT 8, NORTH SPINE

[Click here to Sign Up](#)

2

Workshop 2: Ethics First - Treating your Participants Right

This workshop will offer **best practices for consent, data protection, and ethical research**. Whether you're new or experienced, gain practical tools to prioritise safety and conduct responsible research.

27 MAY TUESDAY

11AM - 12.30PM

LT 8, NORTH SPINE
